

Open Y is

**A philosophy that
collaboration drives
innovation and impact**

**A community of
YMCAs and digital
partners**

**An open-source digital
platform for marketing
and ecommerce**

BENEFITS

It's free to participate in Open Y for as long as you like—all YMCAs are encouraged to participate. By working together, we can save money on digital marketing costs.

Here's how it works:

1

Contact us

Contact the Open Y team to receive access to all of the code, modules and features of the Open Y content management system, built on Drupal 8 (<http://www.drupal.org>)

2

Use Open Y

Use the Open y content management system to deliver brand-compliant digital experiences

3

Connect with a Partner

Connect with a digital partner that has experience using Open Y if you'd like outside help, or use your internal team's talents

4

Share

Create your own digital modules and features, then choose to share with the Open Y community if you'd like
