By-law on the municipal waste collection charge

Fuentelclaro Town Council
Document type: By-laws and regulations
Responsible area: Environment and Public Space
Financial year: 2023

The charge for household and commercial waste collection, its bands and the reductions that apply to it.

DEMONSTRATION CONTENT

This file is demonstration content shipped inside a Drupal CMS site template. Fuentelclaro is a fictional municipality: every name, figure and record in this file is invented. It exists so that the portal's tables, facets and pager have something true to shape to render, and so that a reviewer can see a populated transparency portal before adding real data.

Licence: own work, redistributed with the template under GPL-2.0-or-later.
