Climate and energy action plan 2023-2030

Fuentelclaro Town Council
Document type: Plan or strategy
Responsible area: Environment and Public Space
Financial year: 2023

Emissions inventory, reduction targets and the measures adopted to reach them.

DEMONSTRATION CONTENT

This file is demonstration content shipped inside a Drupal CMS site template. Fuentelclaro is a fictional municipality: every name, figure and record in this file is invented. It exists so that the portal's tables, facets and pager have something true to shape to render, and so that a reviewer can see a populated transparency portal before adding real data.

Licence: own work, redistributed with the template under GPL-2.0-or-later.
